Education Course Schedule

Emiliani

Welcome to our Spring/Summer Education Center Calendar

Dear Beauty Industry Partner,

Welcome to Emiliani Education 2012. This year's theme of 4D, brings to you the next level of education. As you can see, we have a new layout for our brochure to help you focus on your career path, whether it's cutting, coloring, skincare, or nails, Emiliani will have something to offer all industry professionals. With a year full of education offerings, we have the very latest creative techniques to expand your success. Emiliani has many events planned with the different brands that we carry and don't forget the Emiliani Customer Summit, in April, where some of the industry's most prestige artists will be presenting. Ask your sales consultant how you can attend one of the most exciting education events for Spring 2012.

We look forward to hosting you at one of Emiliani's Education Experiences very soon and wish you a successful and creative 2012.

Kind Regards,
Kandace Smith
Director of Education Emiliani Enterprises

GRATITUDE

Advanced Haircutting Workshop

This is a six hour advanced haircutting workshop that starts off with the fundamentals. The fundamentals we focus on are "the why?" behind a haircut, how to hold your scissors, the mechanics of haircutting, and 3 basic shapes (round, triangle, and square). Then we move into the hands-on portion where each stylist will cut a square one length cut, a medium length round shape, and a short triangular shape. Blow drying/ Ironing is a strong focus of this class because we want everyone to understand how to prep hair to create the perfect fabric for dry haircutting. The last hour of the class is focused on 5 different dry haircutting techniques that are advanced, fun, and effective.
